21 DAYS CHALLENGE

Focus Area:

Learn to masterfully express five different emotions through body language during a speech.

Task Overview:

1. Prepare a Brief Speech: Select a topic you enjoy and prepare a short speech (about 1 minute).
2. Express Five Emotions:
   - Joy: Smile broadly and use energetic gestures.
   - Surprise: Add a twist with wide eyes and quick hand movements.
   - Sadness: Adopt a somber tone, slow movements, and a softer voice.
   - Anger: Use sharp gestures and a stern voice.
   - Curiosity: Use questioning gestures and a thoughtful tone.

Conclusion:

- Practice these techniques to improve your non-verbal communication skills.
- Record and review your performance to refine your ability to convey emotions effectively through body language.

Takeaway Tip:

Regular practice in diverse settings will enhance your natural ability to convey emotions and engage your audience more effectively.
